ORDER

The recent flood which wreaked severe havoc in the state has caused widespread damage to the vital infrastructure of the KSEBL badly affecting generation, transmission and distribution of power. This has added to the misery engendered by the flood and impacted the rescue operation. Restoring the affected infrastructure back to normalcy is paramount for the state especially in view of the raging Covid 19 pandemic and also to rejuvenate the industry which has collapsed under the fallout of the pandemic.

Personnel working in the cadre of Assistant Engineer (Ele) assume a great role in coordinating the human resource in putting the affected infrastructure back to the normal condition. They are helping the Section offices which are striving to render uninterrupted and quality power. They assign responsibilities to employees working in

various cadres in the section offices in maintaining efficient power distribution and coordinate their works. He is also the custodian of the various materials which are important for the effective functioning of Section offices. It is not in the best interest of and will not augur well for the KSEBL for the places of Assistant Engineer (Ele) lying vacant.

It will take at least four to five months to fill the vacancies through regular promotion by following the due procedures prevalent in KSEBL in the matter of promotion. But in the face of such exigent circumstances detailed above KSEBL is ill afford to protract the promotion process to such an extent even if the time span is four to five months as the immediate filling up of vacancies are so dire.

In order to cope with the particular exigencies depicted above KSEBL is constrained to fill the vacancies of Assistant Engineer (Ele) being felt in the promotion quota by resorting to temporary promotion of senior eligible diplomate and I.T.I certificate holding Sub Engineers (Ele) from their combined seniority list, as provided in Rule 31 of KS&SSR, without applying quota rule.

Accordingly, temporary promotions to the cadre of Assistant Engineer (Ele) of the persons figured in the annexure attached are ordered subject to the following conditions.

1. The above promotions are purely provisional and ordered as per Rule 31 (a) Part II Kerala State & Subordinate Service Rule 1958. Persons promoted temporarily as Assistant Engineer (Electrical) shall not be regarded as a probationer in the cadre of Assistant Engineer (Electrical) or be entitled by reason only of this temporary promotion to any preferential claims for future promotion against any category in the Board. The temporary promotion will not confer upon them any right, claim, lien or seniority in the cadre of Assistant Engineer (Electrical). Training, if any, given during the period of temporary engagement does not confer upon them any claim for permanent promotion to the cadre of Assistant Engineer (Ele).
2. The above orders are issued in the exigencies of service and in public interest.
3. As the above temporary promotion is ordered in the exigency of meeting the shortage of Assistant Engineers (Ele), if persons who have availed of Time Bound Grade promotion in the scale of pay of Assistant Engineer (Ele) and

- above refuse to accept the temporary promotion. all benefits accrued on them consequent to the grade promotions are liable to be recovered in lump.
4. The above temporary promotions are ordered as per Rule 31 (a) Part II Kerala State & Subordinate Service Rule 1958 and till regular hands report for duty or otherwise as and when the Board deems it necessary to terminate the temporary appointments on other grounds whichever is earlier.
 5. When regular promotions to the cadre of Assistant Engineer (Electrical) are ordered the temporarily promoted persons will be reverted to the cadre of Sub Engineer (Ele) immediately by cancelling the temporary promotions or adjust against respective quota.
 6. For the above temporary promotion the normal rule of pay fixation relating to temporary promotion as provides for in the clause 31(f) of Kerala State & Subordinate Service Rule 1958 will apply.
 7. As per Board Order read above as 5th, temporary promotees are eligible for cadre pay with effect from the actual date of joining the promoted post.
 8. Controlling officers should ensure that there are no adverse remarks barring promotion in the service book of the persons promoted temporarily. If there are any adverse remarks about the persons promoted he/she shall not be relieved and the fact be reported to this office forthwith. If any persons promoted above are presently on LWA as per appendix XII-A, XII-B or XII-C of Part – I KSR and have not completed minimum one year service after rejoining duty for the above purpose/resigned/under suspension the fact shall be reported to this office immediately.
 9. The persons promoted temporarily as per this order shall furnish an undertaking in the prescribed format annexed to this order within a period of 15 days from the date of this order. If he/she fails to furnish the undertaking within the stipulated time limit his /her temporary promotion will be treated as cancelled and stands withdrawn.
