ORDER

Routine works in the field offices are affected due to the acute shortage of Assistant Executive Engineers, especially in the distribution side. COVID-19 pandemic has burdened the Assistant Executive Engineers who are entrusted in managing Section Offices under their jurisdiction with minimal office strength to ensure uninterrupted power supply. As per the report of field officers submitted through the Directors, in many Sub Divisions, the Assistant Engineers are compelled to carry out the functions of Assistant Executive Engineers in addition to their normal duties and functions. Government have authorized the Assistant Executive Engineers (Ele) as Assessing Officer under Section 126 of the Electricity Act, 2003. On implementation of PMU and PMSU, their responsibilities have been increased further. The works now being undertaken in the Transmission Wing are also affected due to the shortage of Assistant Executive Engineers. The recurring natural calamities have worsened the situation in the distribution wing. Going with the rescheduled weather forecast by IMD, distribution network may go into complete disarray. This forces the office to make null & void the shortage of Assistant Executive Engineers in the Electrical Sub Divisions in order to coordinate power restoration works and likes. As per the standards of performance insisted by the Kerala State Electricity Regulatory Commission, services to the consumers shall be provided within the prescribed limit. Any lapse in this matter on the part of the utility will invite adverse remarks. In order to mitigate the contingency, adequate manpower is to be provided to the required places immediately.

To tide over the present crisis, it is decided to fill up the vacancies of Assistant Executive Engineers(Ele) by promoting senior graduate/diploma holders temporarily as contemplated under Rule 31 of KS & SSR. Accordingly temporary promotion to the following Assistant Engineers(E)

to the cadre of Assistant Executive Engineers (E) is ordered as shown in annexure below subject to the following conditions.

1. From Sl. No 1 in the annexed order is a Degree holder and 2 to 91 are Diploma holders.
2. The above temporary promotions are ordered as per Rule 31(a), Part.III of Kerala State & Subordinate Services Rules, 1958 and their promotion will be terminated as and when regular hands reports for duty or any other grounds as Board deems necessary.
3. When regular promotions to the cadre of Assistant Executive Engineer (Ele) are considered the temporarily promoted Assistant Engineers (Ele) will be reverted to the cadre of Assistant Engineer (Ele) immediately by canceling the temporary promotions.
4. The above temporarily promoted Asst. Executive Engineers (Ele) shall not be eligible for any pay fixation benefit due to this promotion. However, they are eligible for allowances admissible to the post of Asst. Executive Engineer (Ele), including cadre pay.
5. For the temporary promotion and subsequent reversion, the normal rules of pay fixation relating to temporary promotion and reversion will apply.
6. The position of the promotees in the Service Book and HRIS shall be Asst. Executive Engineer (Ele), Temporary.
7. Persons promoted temporarily as Asst. Executive Engineer (Ele) shall not be regarded as a probationer in the cadre of Asst. Executive Engineer (Ele) or be entitled by reason only of this temporary promotion to any preferential claims for future appointment against any category in the Board. The temporary promotion will not confer upon them any right, claim, lien or seniority in the cadre of Asst. Executive Engineer (Ele).
8. Before relieving the persons temporarily promoted as per this order, the Controlling Officers shall verify and ensure their general & technical qualifications and date of birth.
9. It should be ensured that there are no adverse remarks in the service book of the promotees barring promotion. If there are any adverse remarks in the service books of the promotees, he/she shall not be relieved and the fact reported to this office forthwith. If any promotees listed above are presently on LWA as per XII A, XII B or XII C of Part.I of KSR/resigned/ under suspension, the controlling officers shall report the fact to this office immediately.
10. The persons promoted temporarily as per this order shall furnish an undertaking in the prescribed format (Appendix-I) appended to this order within a period of 10 days from the date of this order. If he/she fails to furnish the undertaking within the prescribed time limit his/her temporary promotion will be treated as cancelled and stand withdrawn.
11. Before relieving the above promotees from their present post, the Controlling Officers shall ensure that the prescribed undertaking is obtained from the incumbent. The ARU head

shall ensure that the undertaking is pasted in the service book of the incumbent concerned and necessary entries recorded. A scanned copy of the undertaking shall be send to th E-mail address (esthrm@kseb.in) and hard copy of the same forwarded to the office of the undersigned without fail.

12. The above temporary promotions are done in exigency of service and public interest.
13. HRIS shall be updated by the ARUs concerned.
