ORDER

Based on the revision in the work norm for Meter Readers in the Long-Term Settlement 2021, the existing work norm of personnel engaged on contract basis for attending duties of Meter Readers was revised as per the Board Order read as 1st above. A new category named 'CITY' was introduced with 160 readings per day. As a general rule, the Section Offices located in the six Corporation areas of Thiruvananthapuram, Kollam, Ernakulam, Thrissur, Kozhikode and Kannur were incorporated in CITY area, after obtaining clarification from the concerned Deputy Chief Engineers. In the said B.O., the list of Section Offices which can be completely considered as CITY areas, were appended in **Part-A** of **Annexure I** while those Electrical Sections in which some areas / transformers falls under CITY category, were appended as **Part-B** of **Annexure I**.

After the implementation of the said B.O. various complaints/ representations were received from various corners regarding anomalies in the Sections that were included in Part A and Part B of the Annexure appended with Board Order read above and sought corrections for the same. The matter was placed before the Full Time Directors for a decision.

The Deputy Chief Engineers of respective Electrical Circles after conducting meeting with Trade Unions, submitted their recommendations. Based on this, the annexure of the above Board Order was revised and placed before the Full Time Directors as per Notes read as 2nd and 3rd above for decision.
