ORDER

The development and implementation of a web based MOR (Monthly Operating Review) application is in progress. This requires that all feeders and stations in our system to be uniquely coded. Accordingly, a list of station codes for all substations, generating stations and EHT consumers and feeder codes for all feeders from 220kV to 33kV of KSEBL system, as on 31-12-2013 has been prepared and the Director (Transmission and System Operation) has approved the same vide note read above.

The approved list of codes is appended herewith.

Orders are issued accordingly.

By Order of the Director (Transmission and System Operation),
